

# The **Woodcraft Folk** Creed

---

**Creed** - a set of beliefs which expresses a particular opinion and influences the way you live  
This is said by Pioneers and Venturers at groupnights and on camps.  
Not to be confused with *Span the World with Friendship* which is our motto!

*This shall be for a bond between us,  
That we are of one blood you and I,  
That we cry peace to all  
And claim kinship with every living thing.  
That we hate war, sloth and greed  
And love fellowship  
And that we shall go singing  
To the fashioning of a new world  
Peace!*

**Sloth** - laziness, unwillingness to work or make any effort

**Kinship** - the relationship between members of the same family, or a feeling of being close or similar to other people or things

**Fashioning/to fashion** - to make something using your hands
